Timekeeping: on all four distances the time will be exclusively measured by the Real-Time ChampionChip. Without Chip no rating! Walker have to indicate this on the Entry Form and also use a Chip for rating.

You already own a ChampionChip: Please glue your personal Bar-Code-Label on the accordant place on the entry form or inscribe the Chip-Number in the accordant place.

You don't own a Chip yet: Those you do not possess a Champion Chip, will be able to buy or rent one at registration.

- a) **Buying a Chip:** Please tick the respective box in the registration form or when registering online select the additional service box „buying a chip“. The purchase price of 31,- EUR together with the organization service charge will then be debited from your account. The chip will then be posted to you by mail about 14 days after data acquisition has been completed and can be used immediately at all running events all over the world which use the Champion-Chip measuring system.
- b) **Renting a Chip, choice of purchase:** When registering you already rent the Chip and you will receive it together with the starting documents. You have to return it in an undamaged state to the Chip return counter on the day of the race until 5pm. You have to pay a rental fee of 6,- EUR at registration. In case you decide to keep the Chip after the event is finished, you had already settled the purchase contract when registering and accepting the rental conditions. After the event 25,- EUR which is the balance between the rental fee you paid and the actual purchase price (31,- EUR) will be debited from your account. (Foreign participants pay by using a credit card.) Thus, there will be no possibility of paying a deposit on the day of the event anymore!
