Important information! Please read carefully!

For your own safety!

Please write down your surname, first name, phone number of relatives/accompanying persons as well as information about medication used and/or previous diseases on the back of your starting number. Use a ballpoint pen.

Conditions of entry

Participating in the 19th Piepenbrock Dresden Marathon is only possible in possession of an official starting number and Champion-Chip. In taking part every athlete is accepting our conditions of entry as well as the organizer's exclusion of liability according to our invitation to the competition. If a participating athlete is being accompanied by another person on a bike (who is not wearing an official sign of authorization), the running athlete himself/herself will immediately be disqualified! For safety reasons „baby-joggers“ and/or persons accompanied by dogs are not allowed to participate!

Pasta-Party

(Saturday 12 to 6 pm) When you have booked the pasta party already you will get a voucher in addition to the starting number.

Timekeeping by Real-Time-Champion-Chip

Please fix the Champion-Chip firmly onto the shoelaces of your running shoes. Instant net timekeeping can only be done if the participant runs over the timekeeping contact mats which are laid out at the start and finish. Likewise, the participant has to run over all contact mats laid out on the running course itself (intermediate times, checkpoints).

Please return your rental chip into the provided boxes which are located in the entrance foyer of the Congress Center or in Hall 5 next to the cash desks. You might decide to keep the yellow chip after the event is over. In that case the difference between the agreed rental fee and the purchase price of 31 EUR (thus 25 EUR) will be deducted from the bank account you gave beforehand (foreign participants pay with credit card). The blue rental chips are single use chips (which can only be used once) and cannot be purchased. For environmental reasons these chips must only be returned into the white plastic bins provided.
